Happy Friday, Alice,

I'm pleased to provide ERG's monthly progress report for Task Order #10, Passaic CAG. The attached progress report covers the period from January 2, 2021, to January 29, 2021, which is the four-week period that corresponds to ERG's "reporting month" for January.

I've also attached a copy of ERG's invoice for this TO. Note that the attached invoice is just provided for your reference. In parallel, we have submitted this invoice to EPA's finance system. You will be contacted by that system to officially approve ERG's invoice—or report any issues if you cannot approve.

Please note that this invoice does not include costs for January work performed by our subcontractor, as subcontractor invoice processing naturally lags.

Don't hesitate to be in touch if you have any questions.

Regards,
